

# Tahlequah Hospital Foundation Healthcare Scholarships

1. Tahlequah Hospital Foundation Healthcare Scholarships will be considered for high school seniors attending Hulbert High School, Keys High School, Tahlequah High School, Sequoyah High School, Ft. Gibson High School, or Locust Grove High School.
2. Applicants must be interested in pursuing a career in clinical healthcare.
3. Scholarships will be granted for healthcare careers that support Northeastern Health System. Positions include but are not limited to: RN, LPN, CNA, MLS, MLT, Radiology, and Ultrasound.
4. Application will only be considered if filled out in its entirety with all requested attachments included.
5. Applicants agree by submitting the application to be available for an interview if requested by the selection committee.
6. Criteria for selection of scholarship awards is as follows (in no particular order):
  - a. Grade Point Average
  - b. ACT/SAT Score
  - c. Leadership Activities in School
  - d. Leadership Activities in the Community
  - e. Interview Process
7. Selected scholarship recipients agree to work for Northeastern Health System immediately upon completion of program and recipients will work six months for every semester that is paid for by the Foundation after graduation. Recipients will work under the same conditions and terms as then are appropriate for any other similarly qualified personnel.
8. Scholarship recipients must have completed the degree or certificate program in five years or less.

I have read and understand the above information.
